CLE Course Description

2 hour CLE

Title: Electronic Mortgage Closings in North Carolina

This course will cover how North Carolina's progressive eCommerce laws have enabled the Department of the North Carolina Secretary of State to launch a state-wide electronic mortgage closing initiative that has attracted the largest mortgage company in the country. The Electronic Notary Act, the Uniform Real Property Electronic Recording Act, and the Uniform Electronic Transactions Act will be considered in the context of the recently published North Carolina Electronic Mortgage Closing 101 whitepaper. The course will also cover how eClosings solutions can provide proof of compliance with federal regulations such as RESPA/TILA and TRID.
